

Table stand

TS1300AL

Table stand mounted together with the crimp head V1300C2-AL for crimping aluminum 16-400 mm², round conductors. The table stand is designed for operators with high frequency use of the C2 crimp head. With the table stand you get a stable, safe and easy use of the C2 crimp head.

- spring loaded pistons releasing the sleeve after crimping
- Elpress crimp head should be used with PS710
- adjustable stop included
