

E0716

- ergonomic handles facilitate installation
- can be used with European metric as well as US AWG (American Wire Gauge) range lugs
- suitable for both left and right-handed users
- scissor movement for optimal access in confined spaces
- locking function which only releases once the crimp is complete
- emergency release if the crimping process has to be interrupted
- possibility of adjustment at calibration after long-term use

Tested and certified mechanical hand-held tool for crimping Cu-terminals 0,75-16 mm², AWG 18-6.

Item number: **5111-228900**

EAN: **7393487091108**

Crimp geometries: **Punch**

mm² Cu: **0,75-16**

mm² KR/KS, KRF/KSF: **0,75-16**

mm² KRT/KST: **10-16**

Crimp range Cu-terminals min (mm²): **0.75**

Crimp range Cu-terminals max (mm²): **16**
