

Shearbolt connectors with heat shrink insulation, 1kV

KSC50N-1-5HS

- kit with screw connectors for low voltage 1 kV
- polyolefin heat shrink insulation
- the connector bodies are internally coated with adhesive that melts when heated
- the splice becomes completely watertight

Connector kit for splicing plastic insulated 5-conductor cable for Al or Cu conductors up to 1 kV, round cable 10-50 mm², sector formed cable 16-50 mm² (acc. to IEC 60228). Comes complete with screw connectors, insulation, emery cloth, 2 filler pieces, vulcanising tape and instructions for use.

Item number: **7321-008100**

EAN: **7393487059764**

Max voltage (kV): **1**

Screen conductor (mm²): **10-35**

Cable type Round (mm²): **10-50**

Cable type Sector (mm²): **16-50**
